

Crystal and steel side panels

Steel side panel in epoxy finish for perfect volume management

Benefits for the industry

- Two standard dimensions 450, 500 mm
- Reversible left/right for less references
- Easy clip-over on railing tube and magnetic retention on the bottom
- Doesn't interfere with front adjustment and self-adapts in height
- Design customisable on request

Benefits for the consumer

- Three metal finishes matching perfectly the drawer finish: Polar White, Silver Champagne and Grey
- Excellent side retention in high drawer applications
